**RCF GROUP: PRESENTAZIONE DOMANDA DI AMMISSIONE A QUOTAZIONE  
SUL MERCATO TELEMATICO AZIONARIO, RICORRENDONE I REQUISITI,  
SEGMENTO STAR, ORGANIZZATO E GESTITO DA BORSA ITALIANA S.P.A.**

**Avvio dell'Offerta previsto nel mese di ottobre 2019**

Reggio Emilia, 20 settembre 2019 – RCF Group S.p.A. (“**RCF Group**” o la “**Società**” e, unitamente alle società controllate, il “**Gruppo**”), società a capo di uno dei principali gruppi operanti a livello mondiale nel settore dell’audio professionale d’alta gamma, comunica di aver presentato a Borsa Italiana S.p.A. (“**Borsa Italiana**”) la domanda per l’ammissione alla quotazione delle proprie azioni ordinarie (le “**Azioni**”) sul Mercato Telematico Azionario organizzato e gestito da Borsa Italiana, e ricorrendone i presupposti, sul segmento STAR (la “**Quotazione**”).

In particolare, è previsto che il flottante richiesto ai fini della Quotazione sia realizzato attraverso un collocamento istituzionale (l’“**Offerta**”) rivolto esclusivamente ad investitori qualificati in Italia e investitori istituzionali all'estero ai sensi della *Regulation S* del *United States Securities Act* del 1933, come successivamente modificato (il “**Securities Act**”), e negli Stati Uniti d’America, limitatamente ai “*Qualified Institutional Buyers*”, ai sensi della *Rule 144A* del *Securities Act*, con esclusione di quei paesi nei quali l’Offerta non sia consentita in assenza di autorizzazione da parte delle competenti autorità, in conformità con le leggi vigenti, o di esenzioni di legge o regolamentari applicabili.

L’Offerta comprenderà: (i) Azioni di nuova emissione (per un controvalore complessivo pari a circa Euro 150 milioni) rivenienti da un aumento di capitale con esclusione del diritto di opzione (l’“**Aumento di Capitale**”), e (ii) Azioni già esistenti, poste in vendita da taluni azionisti venditori.

La struttura finale dell’Offerta, unitamente agli ulteriori termini rilevanti, sarà determinata e comunicata in prossimità dell’avvio dell’Offerta medesima. Nel contesto dell’Offerta è inoltre prevista la concessione di un’opzione *greenshoe*.

Alla data del presente comunicato, si stima che il flottante atteso ad esito dell’Offerta, ivi inclusa l’opzione *greenshoe*, sarà compreso tra il 35% e il 40% circa del capitale sociale della Società. La Società e gli Azionisti Venditori assumeranno impegni di *lock-up* in linea con la prassi di mercato.

I proventi derivanti dall’Aumento di Capitale saranno funzionali a supportare l’attuazione degli obiettivi strategici del Gruppo.

Nel contesto della Quotazione, la Società ha predisposto un Prospetto Informativo di ammissione alla negoziazione delle Azioni che sarà soggetto all’approvazione da parte della Consob a seguito del relativo deposito.

Compatibilmente con le condizioni di mercato e subordinatamente all’ottenimento delle approvazioni richieste da parte di Borsa Italiana e Consob, alla data del presente comunicato, si ritiene che l’Offerta possa essere avviata nel corso del mese di ottobre 2019.

Nell'ambito dell'Offerta, Banca IMI (Gruppo Intesa Sanpaolo), BNP Paribas e Goldman Sachs International agiranno in qualità di *Joint Global Coordinators* e *Joint Bookrunners*; Banca IMI agirà inoltre in qualità di *Sponsor* ai fini della quotazione. Lazard agisce in qualità di *advisor finanziario* di RCF nel contesto dell'Offerta.

Chiomenti e Sullivan & Cromwell forniscono l'assistenza legale a favore della Società, rispettivamente, per gli aspetti di diritto italiano e per quelli di diritto americano e inglese.

Latham & Watkins agisce come *advisor legale* a favore dei *Joint Global Coordinators* per gli aspetti di diritto italiano e per quelli di diritto americano e inglese.

None of the banks acting as joint global coordinators and/or joint bookrunners in the contest of the potential initial public offering (the "Managers") or any of their respective directors, officers, employees, advisers or agents accepts any responsibility or liability whatsoever for or makes any representation or warranty, express or implied, as to the truth, accuracy or completeness of the information in this announcement (or whether any information has been omitted from the announcement) or any other information relating to the Company, its subsidiaries or associated companies, whether written, oral or in a visual or electronic form, and howsoever transmitted or made available or for any loss howsoever arising from any use of this announcement or its contents or otherwise arising in connection therewith. Nothing contained herein is, or shall be relied upon as, a promise or representation by the Managers in this respect, whether as to the past or future.

None of the Managers assumes any responsibility for its accuracy, completeness or verification and accordingly the Managers disclaim, to the fullest extent permitted by applicable law, any and all liability whether arising in tort, contract or otherwise which they might otherwise be found to have in respect of this announcement or any such statement. The Managers are each acting exclusively for the Company and the Selling Shareholder in the transaction referred to in this announcement and for no-one else in connection with any transaction mentioned in this announcement and will not regard any other person (whether or not a recipient of this announcement) as a client in relation to any such transaction and will not be responsible to any other person for providing the protections afforded to their respective clients, or for advising any such person on the contents of this announcement or in connection with any transaction referred to in this announcement. In connection with the withdrawal of the United Kingdom from the European Union, the Managers may, at their discretion, undertake their obligations in connection with the potential initial public offering by any of their affiliates based in the European Economic Area.

Solely for the purposes of the product governance requirements contained within: (a) EU Directive 2014/65/EU on markets in financial instruments, as amended ("MiFID II"); (b) Articles 9 and 10 of Commission Delegated Directive (EU) 2017/593 supplementing MiFID II; and (c) local implementing measures (together, the "MiFID II Product Governance Requirements"), and disclaiming all and any liability, whether arising in tort, contract or otherwise, which any "manufacturer" (for the purposes of the MiFID II Product Governance Requirements) may otherwise have with respect thereto, the Shares have been subject to a product approval process, which has determined that such Shares are: (i) compatible with an end target market of retail investors and investors who meet the criteria of professional clients and eligible counterparties, each as defined in MiFID II; and (ii) eligible for distribution through all distribution channels as are permitted by MiFID II to such target market (the "Target Market Assessment").

---

Notwithstanding the Target Market Assessment, distributors should note that: the price of the Shares may decline, and investors could lose all or part of their investment; the Shares offer no guaranteed income and no capital protection; and an investment in the Shares is compatible only with investors who do not need a guaranteed income or capital protection, who (either alone or in conjunction with an appropriate financial or other adviser) are capable of evaluating the merits and risks of such an investment and who have sufficient resources to be able to bear any losses that may result therefrom. The Target Market Assessment is without prejudice to the requirements of any contractual, legal or regulatory selling restrictions in relation to the offering. Furthermore, it is noted that, notwithstanding the Target Market Assessment, the Joint Global Coordinators and Joint Bookrunners will only procure investors who meet the criteria of professional clients and eligible counterparties.

For the avoidance of doubt, the Target Market Assessment does not constitute: (a) an assessment of suitability or appropriateness for the purposes of MiFID II; or (b) a recommendation to any investor or group of investors to invest in, or purchase, or take any other action whatsoever with respect to the Shares. Each distributor is responsible for undertaking its own target market assessment in respect of the Shares and determining appropriate distribution channels.
